To Whom It May Concern:

TNT Demolition has performed many jobs for us over the last 20 years. They are always very conscious about safety for both the workers and the homeowners. They complete their scope of work in a timely manner and are always willing to go the extra mile to keep the job on track. The crew wear uniforms and are very clean, helpful, and personable. We always use TNT for any type of demolition and will continue to use them in the future. We highly recommend them for any and all demolition and site protection needs.

Sincerely,

Mike Cacci
